- C. If a player elects to weigh-in early, this will not be his/her official weigh-in, unless player makes weight. He or She will be allowed to re-weigh all the way to the late weigh-in (all penalties apply). This will promote a healthier environment for the player to make weight.

15. Special League Game Rules:

- A. League games shall be played according to the Official Kentucky Rules known as the "Kentucky High School Football Rules", except for the following special league rules adopted by the league.

1. 18 (24) Point Rule – All Divisions Except (24 points at the Senior Division):

- a. If during the first 3/4 of a game, one team is ahead by eighteen points (24 points at the Sr. Division) at that time and immediately upon the eighteenth (18th) (24 points at the Sr. Division) point advantage being scored, the leading team shall substitute and take out of the game its entire offensive starting players. Said starting players (offensive) shall not be eligible to return to the game (offensively) until the point differential between the teams is less than eighteen (18) (24 points at the Sr. Division) points at any point in the first half. If an insufficient number of players are available to do this, all remaining bench players must be substituted and the Offensive backfield must be removed first. When the 18 (24) point is in effect no blitzing or stunting is allowed by either team. Violation of this rule will incur an ineligibility player penalty and will be considered by the League as unsportsmanlike conduct. When the point spread is 32 or greater during the second half, there will be a continuously running clock. This rule only applies through round one (1) of the playoffs.

- b. If at any time during the 4th quarter of a game, one team is ahead by 18 points,(24 points at the Sr Division) and immediately upon the 18th (24th) point advantage being scored, BOTH TEAMS shall substitute and take out of the game ALL of their offensive & defensive starting players. Said starting players shall not be eligible to return to the game (offensively & defensively) until the point difference between the teams are less than 18 (24) points. The clock during this time will run continuously. If an insufficient number of players are available to do this, all remaining bench players must be substituted and the offensive backfield must be removed first. Violation of this rule will incur an ineligibility player penalty and will be considered by the League as unsportsmanlike conduct.
- c. (1-a & 1-b) does not apply after the First Round of the Play-Offs or in the Super Bowl.

COACHES: Coaches violating 1-a, 1-b, or 1-c will be subject to action in accordance with the League Disciplinary Policy.

2. Length of Games: The Following games will consist of:

- a. Senior (4) Four – (8) EIGHT-Minute Quarters
- b. Juniors (4) Four – (8) EIGHT -Minute Quarters
- c. Midgets (4) Four – (8) EIGHT Minute Quarters
- d. Pee Wees (4) Four – (8) EIGHT Minute Quarters

The length of halftime should not exceed 11 minutes, except for special circumstances.

- 3. Tie Games:** Any regular season, Play-Off, or Super Bowl game ending in a tie, requires the toss of a coin to determine who has the choice of offense or defense. The offensive team then gets the ball first and goal at the TEN (10) yard line. The team, who out-scores the other team, by any means, is the winner. If a tie still results, the above should be repeated starting with a new toss of the coin. Therefore, there will be NO TIES in the League.
- 4. Footballs:** The official ball of the League shall be the Intermediate Size for Senior Division and the Touch Size for the Junior & K2 for the Midget, Pee Wee & Starter Divisions.
- 5. Required Number of Players:** A minimum of fifteen (15) players must be dressed for each regular season game at game time or the game will be forfeited.
- 6. Regular ONE HUNDRED (100) yard fields** will be used in all games for all divisions and all penalties shall be according to the “Kentucky High School Football Rules”.

7. **Coaches** will be allowed in the huddle on the field during time-outs, but only one at a time, according to **KHSAA Rules**.
8. **Immediately prior** to the commencement of each game, the coach of each team shall submit to the opposing head coach of the game, a written list of the names and numbers and positions of the team's starting offensive players, if requested.
9. **A field without stands** can have one (1) roving spotter per team, so designated prior to the game (cannot be an active coach and cannot communicate with anyone except the coaching staff of that team).
10. **No one affiliated** with an organization may start practice or have any organized physical activity of player's prior to the date of commencement of League Insurance in any season. (There is a fine of five hundred dollars (\$500.00) if this rule is found to be abused by any organization.) Classroom (Skull Sessions) are permitted by the League.
11. **No team** shall use any Explosive device before, during, or after any League games.

Note: All Coaches should become acquainted with the above special league rules!

16. Play-Offs:

- A. **At the conclusion** of the regularly scheduled games, an elimination game may or may not be conducted under the supervision and auspices of the League.
- B. **Game clock operators** will be assigned by the League by hiring an extra official for the Second Round Play-Offs and Super Bowl.
- C. **In determining** what organizations get to sponsor the Play-Off Programs, the following will be the adopted format:
 - i. The list of all organizations that have not had a Play-Off at their fields will be filed (and updated from year to year) with the League Secretary. These organizations will be asked if they can accept Play-Offs for that year.
 - ii. Any organization that cannot accept the Play-Offs for reasons unknown will still remain eligible for the Play-Offs until they use their turn.
 - iii. Once an organization does sponsor a Play-Off, they will be put at the bottom of the Play-Off list and cannot sponsor a Play-Off until their turn comes around again. (See attached Play-Off and Super Bowl Addendum.)
- D. **Playoff format** will involve the top eight (8) teams in each division (except Starters), seeded #1 through #8. Seeds are determined by best overall record. In case of ties, tiebreakers will be as follows:

1. Head to Head Competition.
2. Where 3 or more teams are tied, and head to head cannot resolve the tie, the tied teams will have their names entered into a drawing. The FIRST name drawn out shall be the next highest placed seed. After this team is drawn and seeded, we return to criteria 1) Head to Head Competition. Again, if this does not resolve the tie, another drawing of the tied teams is held with the FIRST team drawn being the next highest placed seed.
3. This process is followed until all eight teams are seeded.
 Example: Lions 7-2 beat Newport (All are tied for first)
 Newport 7-2 beat Red Devils
 Red Devils 7-2 beat Lions
 In this scenario, Head to Head will not resolve the tie. All are put in a drawing, and Lions are drawn first. Lions become #1 seed. Of the two teams remaining tied, we return to Head to Head competition, whereby Newport becomes the #2 seed due to the fact that they beat Red Devils, who become the #3 seed.
